Issue: The state flag

Street_Address: 508 Halstead Rd

City: Ocean Springs

State: MS

Zip_Code: 39564-4102

Message: Governor Musgrove,

Why does the minority dictate to the majority? It is a sad state of affairs when a few people can divide a state like a few radicals have over the state flag issue. It is also amazing how you as Governor of the state of Mississippi can bow down to them. It seems that what was to be a great governor has turned into a yes man for the minorities. Look at what you are doing to the men and women of the state with appointing a commission to change the state flag. If you took a pole right now you might find out just how far down you have gone. I have heard that you are about on the same level as our No Good president.
